Gift Aid

Replacement Covenants by Gift Aid

In the past you have kindly covenanted your subscription to the Society. This scheme has been replaced by Gift Aid and the Treasurer requests that you complete a replacement declaration under the gift aid scheme.

Under the new Gift Aid Scheme announced in 2000, if you are a taxpayer the Society can reclaim the tax you have already paid on your subscription to the Society. This means that at no complication or cost to you the Society can get an extra 28 pence for every pound of your subscription. Please consider signing the declaration below and returning it to the Society's Treasurer.

Gift Aid Declaration

I am a tax payer and wish all my subscriptions to the East Midlands Geological Society paid since the 6th April 2000 and in the future, until I notify you otherwise, to be treated as Gift Aid.
